Patrologiæ cursus completus: series Græca. 161t in 166, [*t16 & 87 have 3p each; t86 has 2p. Greek & Latin*].
la8°. Lutetiæ Paris. 1857–66

Some of the vols. have new tp^s., bearing later dates than 1866. t104 is called on the tp. "t104 & ultimus"; the "ultimus" refers to a division of the Pat. Græca itself into 2 series, the 2nd of wh. extends "a Photio ad concilium Florentinum," [see the Monitum in t104], but there is no further reference to this division into 2s, the vol^s. being numbered consecutively throughout.

Nozze [Per Nozze].
N. B. The following list consists only of anonymous " per nozze " and of those which merely contain congratulatory poems or letters. These are arranged below under the names of the bride and bridegroom. The " Per nozze " which contain prose works or documents will be found in the body of the Catalogue under their authors' or editors' names or under the name of the place to which they relate.
A typed list of all the families in whose honour the " per nozze " possessed by the Library were written is kept in the Library.
